

Web Mapping Services provided by the State Water Boards

Jeff Kapellas

Office of Information Management and Analysis
State Water Resources Control Board

eWRIMS GIS

<http://waterrightsmaps.waterboards.ca.gov/ewrims/>

The screenshot displays the eWRIMS GIS web application interface. The browser address bar shows the URL <http://waterrightsmaps.waterboards.ca.gov/ewrims/gisapp.aspx>. The application features a top navigation bar with a search bar and various utility links. A left sidebar contains a 'Task Assistant' with search options and a 'Results' section showing 'Select POD Results' with 'L031450_01' selected. Below this is a 'POD Filter Window' and 'Map Contents' section. The main map area shows a topographic map with various water rights points marked with colored labels. A popup window for 'L031450_01 (Points of Diversion)' is open, displaying the following details:

APPLICATION ID	L031450
WATER RIGHT TYPE	Livestock Stockpond
WATER RIGHT STATUS	Registered
PRIMARY OWNER FIRST NAME	Null
PRIMARY OWNER LAST NAME	SONOMA COUNTY AGRICULTURAL PRESERVATION AND OPEN SPACE DISTRICT
PRIMARY OWNER TYPE	Corporation
FACE VALUE	7.8
Water Rights > Points of Diversion	
Add to Results	

At the bottom of the interface, there are links for 'POD Legend', 'Metadata', 'Conditions of Use', and 'Privacy Policy'. The copyright notice at the bottom left reads '© 2011 State of California'.

Water Boards

Septic Policy Map

<http://gispublic.waterboards.ca.gov/webmap/owts/owtsmap.html>

The screenshot shows a web browser window displaying the Septic Policy Map. The browser's address bar shows the URL gispublic.waterboards.ca.gov/webmap/owts/owtsmap.html. The page title is "Is My Property Near a Nutrient- or Pathogen-Impaired Water Body?".

Left Sidebar:

- Text: "The State Water Board has developed this web-based map to assist property owners in determining whether they may be affected by the new policy. This map identifies the presence of nutrient- or pathogen-impaired waters listed on Attachment 2 of the OWTS Policy near a property." Below this is a note: "Enter an address or double-click on the map to discover the presence of any Attachment 2 waters within 2000 feet of that point."
- Note: "Note: the presence or absence of impaired waters within 2000 feet of a property does not constitute a final determination that system upgrades are required."

Main Content Area:

- Section: "Is My Property Near a Nutrient- or Pathogen-Impaired Water Body?"
- NOTE: "We recommend clearing your cache to see the most up-to-date changes on this page. Here are step-by-step guides for doing this in some popular web browsers: [Firefox](#) [Internet Explorer 8](#) [Internet Explorer 7](#) [Google Chrome](#) [Safari](#)"
- Zoom controls: "Zoom to Regional Board:" (dropdown menu), "Zoom to county:" (dropdown menu), "Show RB" (checkbox), "Show county" (checkbox).
- Address input: "Enter Your Address : 1001 I Street, Sacramento, CA" with a "Locate" button.
- Map: A map of the Santa Rosa area with a green pin. A "Switch Basemap" button is in the top right of the map area.
- Pop-up window: "User selected point" with the following information:
 - Nitrogen-compound impaired:**
 - [Russian River HU, Middle](#) 1104 ft.
 - [Russian River HA, Laguna de Santa Rosa](#)
 - Pathogen impaired:**
 - [Russian River HU, Middle](#) 1104 ft.
 - [Russian River HA, Laguna de Santa Rosa](#)A "What Does This Mean?" button is at the bottom of the pop-up.

At the bottom left of the map area, it says "v1.1, 03/10/12". The Esri logo is at the bottom right.

My Water Quality maps

<http://www.mywaterquality.ca.gov>

Firefox browser window showing the website www.mywaterquality.ca.gov/safe_to_eat/consumption_advisories/. The page header includes the CA.GOV logo, the text "State of California ENVIRONMENTAL PROTECTION AGENCY NATURAL RESOURCES AGENCY CALIFORNIA WATER QUALITY MONITORING COUNCIL", and navigation links: Home, Safe to Drink, Safe to Swim, Safe to Eat Fish, Ecosystem Health, Stressors & Processes. A search bar is visible on the right.

Page titled "Can I Eat Fish or Shellfish Caught in My Location?". It features a map of California with a callout for the San Joaquin River. The callout lists "Contaminants of concern: mercury, PCBs" and includes a "View Advisory" link. A sidebar on the left contains "SAFE TO EAT FISH LINKS" such as "Pollution Sources & Health Risks", "Laws, Regulations, Standards & Guidelines", "Assessment Thresholds", "Regulatory Activities", "Enforcement Actions", "Research", "Monitoring Programs, Data Sources & Reports", "Statewide Perspective", and "National Perspective".

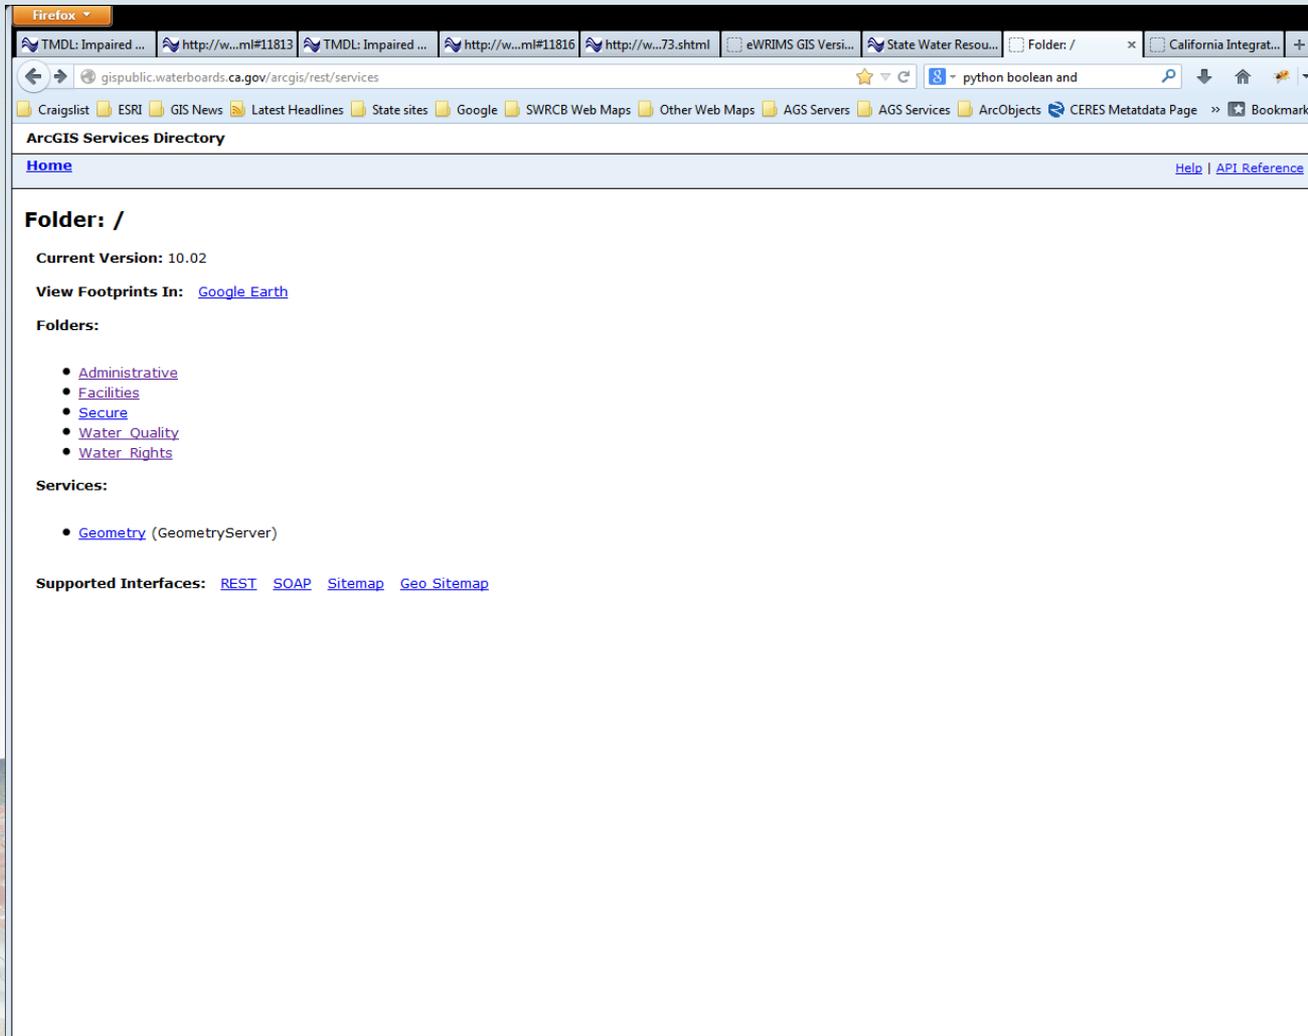

Page titled "What are the Long-Term Trends?". It displays a map of California and a scatter plot showing "Total coliform" and "Fecal coliform" counts per 100ml. The plot has a logarithmic y-axis ranging from 1 to 100K and an x-axis with values 0.103, 0.104, 0.105, and 0.106. A sidebar on the left lists "SAFE TO SWIM LINKS" including "Pollution Sources & Health Risks", "Laws, Regulations & Standards", "Regulatory Activities", "Enforcement Actions", "Research", "Monitoring Programs, Data Sources & Reports", and "Statewide Perspective".

Page titled "Clean Beaches Initiative (CBI)". It features a map of the Pillar Point Harbor area with a callout for "Pillar Point Harbor Beaches". The callout provides project details: "Project: Source Identification", "Water Board funding: \$845,611", "Fund source / project no(s): Prop. 50 / 503", and contact information for Jennifer Toney and Angela Schroeter. A "View Project Report" link is also present. The page includes navigation links like "Home", "Safe to Drink", "Safe to Swim", "Safe to Eat Fish", "Ecosystem Health", "Stressors & Processes", and "Contact Us".

Page titled "View Information on a Specific CBI Grant Project". It provides instructions: "Click on a map location, or Select the project name from the pop-up menu." Below this is a section for "Statewide Clean Beaches Initiative Information" with links for "English Version" (no subtitles, subtitles), "Versión Español" (sin subtítulos, con subtítulos), and "Statewide Evaluation of Best Management Practices". It also includes a link to "Improving water quality through California's Clean Beach Initiative: an assessment of 17 projects" and a copyright notice for Springer Science + Business Media B.V. 2009.
